LECTURE

Buy(ing) the numbers: A Report on the Report (in English)

Michael Maranda, assistant curator at the Art Gallery of York University (AGYU), will present **Waging Culture**, the most comprehensive study of the socio-economic status of visual artists in Canada since Statistics Canada's 1993 *Cultural Labour Force survey*. In his talk, Maranda will not only review some of the key findings of the survey but as well will discuss the motivations for and methodological innovations of the Waging Culture study.

CONFÉRENCE

Encaisser les chiffres : un rapport sur le rapport (en anglais)

Michael Maranda, conservateur adjoint à la Art Gallery of York University (AGYU), présentera **Waging Culture**, l'étude la plus exhaustive sur la situation socio-économique des artistes en arts visuels au Canada depuis l'*Enquête sur la population active du secteur culturel* de Statistique Canada en 1993. Il discutera des motivations l'ayant mené à réaliser cette enquête, des conclusions importantes qui s'en dégagent ainsi que de son usage de méthodologies innovatrices.
